“Nicole brings to life the daily struggles most women can relate to in a creative, thought-provoking, humorous manner. Her message will touch hearts and give a sense of hope.”

from the comedic struggles of our daily lives to the deeper questions that come from our personal tragedies. Nicole says “We live in a world of great beauty and enormous pain. I like to share the strange way they come together on the shores of hope.”

As the youngest of five children, Nicole has faced challenges in her life: the divorce of her parents, childhood loneliness, loved ones touched by breast cancer and Alzheimer’s disease, and a difficult marriage ultimately ending in her own painful divorce. In the midst of the brokenness, Nicole gathered together the pieces of her pain and formulated a life-changing philosophy: Life’s greatest value can be found in these broken pieces. Nicole Johnson will leave your cup filled with a Fresh-Brewed perspective that brings Hope to the Daily Grind.

“Nicole relates to many women using everyday experiences. ‘Telling it like it is’ with humor and well written dialogue, she reminds women they aren’t alone.” Michelle
